

Trade Waste Pricing Policy Forum

Tuesday 1 April 2008

Pond Room, Level 2 Sydney Water Building
115-123 Bathurst Street, Sydney

PURPOSE

This one day forum is the result of interest shown by member councils in recent weeks to discuss issues and concerns with trade waste pricing policy in NSW.

The forum will be facilitated by Daryl McGregor from DLM Environmental Consultants. Daryl has extensive experience in the local government industry and is familiar with a wide range of trade waste issues.

All suggestions for additional agenda items are welcome and should be directed to Doug Hill, Chair of the Water Directorate Sewer Subcommittee. He can be contacted by phone on (02) 6767 5809 or email d.hill@tamworth.nsw.gov.au
