

IPWEA NSW 2015 Annual State Conference

Wednesday 14th – Friday 16th October 2015 at Crowne Plaza Terrigal

Awards Nomination Form

Category 3: Innovation in Water Supply and Wastewater

An initiative of and sponsored by the Water Directorate

Please return this form along with your full submission to:

Carina Jakobsen, IPWEA NSW Level 12, 447 Kent Street, Sydney NSW 2000 or carina.jakobsen@ipwea.org

CLOSING DATE: COB 8 July, 2015

The IPWEA NSW Division presents the Engineering Excellence Awards at our Annual State Conference to promote and recognize excellence of Local Government and Public Works Projects. We are now calling for nominations in the above category and full submissions are due by COB 8 July, 2015.

NSW Water Directorate members are invited to nominate projects in Category 3: Innovation in Water Supply & Wastewater. Nominations are judged on their merits and are not constrained by project size or council/organisation size. The Award winners will be announced at the IPWEA NSW Engineering Excellence Awards Dinner on Thursday 15th October to be held at Crowne Plaza Terrigal as part of the IPWEA NSW 2015 Annual State Conference.

Eligibility

Only member Councils of the NSW Water Directorate are eligible to apply and the nominations must be endorsed by the Council General Manager. The subject matter of nominations may include planning, design, project management, and process development/research, development of techniques or related innovations/achievements. A nomination may relate to a single engineering project or be part of a larger project or coordinated projects. The Project Manager/Coordinator must attend the 2015 IPWEA NSW Engineering Excellence Awards Dinner to receive the Award on the night.

Category 3: Innovation in Water Supply & Wastewater

The Innovation in Water Supply and Wastewater Award seeks to recognise innovations in water supply and wastewater. Nominations must reflect an efficiency and demonstrate a cost saving. Nominations must be made for any projects involving waste water, operations, maintenance, capital works, management, design and/or construction.
